AFFIDAVIT - of yet another BRICK - NOT suitable for throwing thru Judge Chris Martin glass door

Sec. 31.03. THEFT. (a) A person commits an offense if he unlawfully appropriates property with intent to deprive the owner of property.
Sec. 31.01(4) THEFT. "Appropriate" means: (A) to bring about the transfer or purported transfer of title to or other nonpossessory interest in property, whether to the actor or another; [for you non-lawyers: like judgments, liens. Generally such as easements etc]

preface

THIS UNHOLY MESS started to go bat shit crazy - when in the pattern of "too much – and never enough" – phrase courtesy Mary Trump – the perpetrators did - "bring about" – "unlawful appropriation" – "of a non-possessory interest in property" – (i.e. unlawful judgment liens) – textbook penal Sec. 31.03 white collar THEFT – "appropriate" per Sec. 31.01(4) - **by FORGING themselves** not one – but TWO additional "judgments" – making for a total of **THREE - all in the same case!** There can of course only be ONE.

background

How did I come to so openly taunt – or rather have to taunt - our new District Judge, Hon. Chris Martin - with whom I had no personal or court proceeding conflict –

Who has not done me any wrong – but who has clearly come to see - as evidenced by our referenced AUDIOS – that "there is something rotten in the state of Denmark". Such phrase of course from Hamlet – even two lowly palace guards recognizing that something is awry in the chambers of power – in that case – murder by the new king – of his brother, the old king.

“And between the two of us etc.” – as indicated by two AUDIOS - one at the county clerk’s counter – when I “accidentally on purpose” met Mr. Martin, when he was still our district attorney.

“And between the two of us etc.” – at our following other lengthy exchange – this one in the DA lobby - when on my way to our courthouse with my rusty wheelbarrow – for yet another – and more dramatic attempt “to be heard” – else arrested – see my **Why I need to get them to arrest me.**

“And between the two of us etc.” – at our second meeting - no one else in the lobby – Mr. Martin immediately coming out of his office and joining me on the bench – my wheelbarrow between the two of us – and me again plunking down THREE small digital voice recorders – this time onto the wheelbarrow – me acknowledging the recorders – with my “these things don’t always work” - -

With my earlier run-in with then DA Martin best summarized in my **criminal complaint upon DA Martin.** Same for my underlying **criminal complaint upon Judge Paul Banner.**

summary

“And between the two of us etc” – our Second AUDIO - no need to listen to it at this time – best just read these comments of mine upon it. Then listen later to the AUDIO. And again – and again – it WILL come through.

conclusions

To me, Mr. Martin came across as a totally honest and frank person – but still naïve of the evils of our courts – or rather how our courts can be – and are being misused by “bad people”.

As for “bad people” - see my civil RICO suit against Judges Banner and Chapman – all documents on my web – and my one hour or so audio before Judge John McCraw. Ignorance of civil RICO., the constitutional limits on civil sanctions – i.e. that such have to be “coercive, forward-looking, keys-to-own-release, forbidden for COMPLETED anything, etc. -

And for completeness, Mr. Martin got his law license about 2006, and garden variety crimes ever after.

As a pro se, however, I have been “at it” ever since that fraudulent beaver dam case against me in 1994 – and those obscene sanctions starting in 2002 – and TWICE all the way up - Dallas Court of Appeals - Texas Supreme Court - US Supreme Court). ALL documents on my web – even earlier once before all-the way up.

ALL upon due process and the limits on judicial immunity per the US Supreme Court.

To me, Mr. Martin seemed to be more concerned that I had been “so unfair” to then district judge Teresa Drum” – than he was concerned about that obscenely unlawful \$62,885 and \$125,770 punishment judge Paul Banner and judge Ron Chapman had put upon me – Mr. Martin almost childishly innocent of knowledge of evil in high places.

Take for example the at 6:24 excerpt out of our second meeting – Mr. Martin more trusting in Judge Paul Banner’s CYA lies onto a frapping piece of paper - than the official court transcript pronouncing me “well-intentioned” – and memorializing Judge Banner then-and-there PUNISHING me \$62,885 for HAVING made a counter-claim –a First Amendment Right !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

“Yes, he said it – but I am saying it doesn’t say that in the court documents – that he did it out of retaliation”.

“Childishly innocent of knowledge of evil in high places”.

And for completeness – there is the motion for sanctions – seeking punishment upon me – for in essence “**making a mockery of all lawyers and the entire judicial system**” – Judge Banner’s ruling of “**well-intentioned**” thereon as caught by the court reporter – Judge Banner’s Order on Motion for Sanctions devoid of any reason of WHY as required by Rule 13 – with the **forgery of “this judgment rendered”** – the fraudulent all-poison **Findings of Fact and Conclusions of Law** referred to at 6:24 – the 12 year later “revival” by writ of scire facias – of the **forged** now newly re-christened as “**sanction judgment**” - and the menagerie of the **three abstracts of judgments** - on the **three judgments** - the **three writs of executions**.

re the sin of omission

A man does not sin by commission only,
but often by omission. Marcus Aurelius. 121-180

Canon 3: Performing the Duties of Judicial Office Impartially and Diligently
D. Disciplinary Responsibilities.(1) A judge who receives information clearly establishing that another judge has committed a violation of this Code **should** take appropriate action. A judge having knowledge that another judge has committed a violation of this Code that raises a substantial question as to the other judge's fitness for office **shall** inform the State Commission on Judicial Conduct or take other appropriate action.

PS: I am SURE – that there exists a suitable BRICK.
