

## Synopsis of Evil

# The Emperor has no clothes!

“Why I need to get them to ARREST ME”

1.

My neighbor – retired military – on his upstream farm - goes to war with his BEAVERS – DYNAMITES a FIFTEEN (15) foot section of their FOUR (4) foot high dam – of their TEN (10) acre lake – and flushes the whole mess down our creek upon me – all without my knowledge.

And afraid the “overgrown rats” would come back – wants to likewise DYNAMITE on my downstream creek. Permission denied. No beavers left - the problem was in his head.

2.

His shyster lawyer – knowing that natural beavers do not give him a “cause of action” – instead sues me for violating Section 11.086 of the Texas Water Code– for me having been the cause of my neighbor’s flooding, by me having unlawfully built a dam. No such dam. No longer any flooding. ALL FRAUD.

3.

Dallas lawyer G. David Westfall cons me to pay him a non-refundable \$20,000 retainer – “to make time available”.

I finally fire G. David Westfall. He sues me for an additional \$18,121, claiming existence of an unpaid “open account” for “goods or services delivered”. ALL FRAUD.

4.

Judge Paul Banner refuses to appoint an AUDITOR – to cut through the FRAUD – as he is required to do per Rule 172 – in cases brought under “sworn open account”.

Judge Paul Banner even puts fraudulent questions and instructions before the jury. Result: \$85,000 judgment against me. ALL FRAUD.

5.

Judge Paul Banner even puts a FINE on me of \$62,885 – for me having made a claim of fraud.

6.

And Judge Ron Chapman puts an additional FINE of \$125,770 (2 x 62,885) on me – for me having complained about Judge Paul Banner's \$62,885.

7.

Here I stand. Nobody will do anything about it – “not my problem”. That is why I need to get them to arrest me – to make it no longer a - “not my problem”.

## Epilogue

Exactly who “them” is – or “why” – I do not know. But we WILL see – when I get to question “them” – before a JURY – as to WHY they ARRESTED me – for complaining AT OUR COURTHOUSE, about crimes upon me - IN OUR COURTHOUSE - BY OUR COURTHOUSE.

*“oh what tangled webs we weave –  
when first we practice to deceive”*
